

**IMPORTANT NOTICE TO ALL KINDERGARTEN PARENTS
FROM THE NURSES' OFFICE**

Dear Parent(s)/Guardians:

Per NJ State Law, all students must have the following **by the first day of school**:

1. A complete medical packet which can be downloaded from our school website. This must be completed in its entirety by **BOTH a physician and a parent. This includes a permission form, student health inventory, a physical within 365 days of the first day of school, and the following items).**
2. A complete immunization record (requirements are listed on our medical packet). By state law a child **can be excluded** from school if this is not up to date.
3. If your child has a severe allergy and requires an Epi-auto-injector and/or Benadryl. A complete packet and the medicine must be sent in by the first day of school. A **physician and parent** must fill these forms out. This also can be downloaded from our website.
4. If your child has asthma and may require an inhaler or nebulizer treatment at school, an asthma packet must be filled out, medicine sent in, and **signed by Both a physician and parent.** Again, the packet can be downloaded from our website.
5. If your child requires **ANY** medicine in school (**EVEN OVER THE COUNTER MEDICINE**) a **physician and parent** must fill out a form found on our website and send in the medicine in its original packaging.

Thank you for your cooperation in these matters. Your child's well-being is a priority to us.

See you in September!

The School Nurses
