TUITION ASSISTANCE FINANCIAL AID

F.A.Q.

1	**What if my family can't afford tuition?**	We understand that not every family's situation is the same. We strongly encourage you to apply for aid through FACTS and include a note of any extenuating circumstances or hardships before December 31. This will give us time to assist you as much as we can.
2	**How does the tuition assistance process work?**	You will submit your financial information confidentially through the FACTS portal. Based on your family's need, FACTS recommends an award amount, and then the school reviews the recommendations and finalizes the awards. The goal is to ensure that families who value a Catholic education are not turned away due to their financial constraints.
3	**Is tuition assistance guaranteed?**	While we cannot guarantee an award, we are committed to doing everything possible to support families. If you apply by the deadline and submit complete documentation, we will work with you to try to make tuition as affordable as possible.
4	**When will the first payment for be withdrawn from my account?**	The first payment for each academic year is due on **July 5.** We use the Parent Portal Finalsite tuition system for all payment plans.
5	**Are there different payment plans available?**	The school offers three main payment plans: • Pay in full • Twice a year • Monthly (10 months July - April) You can select your preferred payment plan when signing your contract in the Finalsite Parent Portal.

TUITION ASSISTANCE FINANCIAL AID

F.A.Q.

6	**What about multi-child discounts?**	Multi-child discounts are applied to children and siblings in the same household.
7	**How does the Catholic Discount work?**	Families who submit and identify their children as actively practicing Catholics and submit their baptismal certificate during the applications process will receive the Catholic Discount.
8	**How are outside Scholarships applied?**	In some instances, students may be eligible for outside scholarships. Meaning scholarships that are not provided by the Community of Christ Our Light Parish or the Diocese of Camden. These scholarships are often researched and found by parents with relevant affiliations to the scholarship organization. If such a scholarship is granted, then Resurrection should be made aware of it's intended distribution as soon as possible. Once received at the school level it will be credited to the child's account, but not before then.
9	**When do Sibling Discounts apply and NOT apply with split households?**	Sibling discounts are applied to siblings that share the same primary household and have one primary Mother and/or Father. Siblings that have separate primary households and different sets of parents are not eligible for this discount as the total parental household income is significantly more than a one household.
10	**Are there any other Fees I should know about**	PTO Fee $35 Instructional Fee $200 Technology Fee $25 Processing Fees: • Credit Card Convenience Fee: 2.9% (4% for international cards) • Electronic Check Convenience Fee: $0.00
